RE: Coordinator for Puntland-Moffett Project

The Government of Puntland State of Somalia welcomes the services and assistance of the Moffett Group to help us find a lasting solution to the current inactivity of ConocoPhillips Company in exploring oil blocks in Puntland State of Somalia.

ConocoPhillips abandoned its oil exploration activities in Puntland State of Somalia when the Somali central government in Mogadishu collapsed in 1991. Since then, Somalia has undergone 20 years of civil war and national fragmentation.

Fortunately, Puntland has established its own state government in 1998 with parliament, executive and independent judiciary. The state has its own constitution, which gives full mandate to exploit its own state resources.

For 13 years, Puntland has enjoyed peace and stability, creating an environment conducive to foreign investment.

The peace, security and political stability in Puntland can be sustained through socio-economic development, such as better schools and hospitals, construction of public infrastructure, light industry, and job-creation. As such, it is a matter of urgency that Puntland needs to benefit from its own natural resources, including potential oil reserves.

Mr. Kadir Mohamud is hereby nominated as the Coordinator to help advance the relationship between the Puntland Government and the Moffett Group, with the mutual objective of finding a tangible solution to the inactivity of ConocoPhillips Company in Puntland State of Somalia.

Please accept the assurances of my highest consideration.
